RE: Spartan I Energy Center

Dear Kevin,

As we discussed, Spartan Power LLC would like to withdraw the Application for Construction for the Spartan I Energy Center at this time. Should we wish to restart the AFC process, we will discuss with you and the California Energy Commission the proper way to restart the process.

We would like to thank you, the staff and the Commissioners for their effort on the Spartan I Energy Center.

Regards,

  
Jason DiNapoli  
President
